

This policy describes how the entities of the Applus+ IDIADA group identified [here](#) ("**Applus+**" or "**We**"), shall process the personal data that you provide to us when participating in the draw ADAS Driving Experience with IDIADA.

Your personal data shall be processed with the following purposes:

- To process your participation in the draw ADAS Driving Experience with IDIADA and to contact you in case you are one of the winners.
- to contact you with electronic newsletters and/or promotional e-mails relating to job opportunities at Applus+ IDIADA group through e-mail, SMS or other electronic equivalent means.
- to comply with any of the **legal obligations** applicable to **Applus+**.

You may exercise your rights of access, rectification, erasure and portability with regard to your personal data, as well as to object to and restrict the processing thereof at any time by writing to our email address data_protection@idiada.com including the reference "Data Protection" and enclosing a copy of your I.D. card or an equivalent identity document. If We ask for your consent to process your personal data, you may withdraw your consent at any time by contacting Us.

We encourage you to contact us to update or correct your information as soon as it changes, or if the personal data We hold about you is inaccurate.

Please be informed that we won't share the personal data you provide us with third parties unless required to comply with a legal obligation applicable to **Applus+**.

We will store your personal data for as long as We maintain a relationship with you and for a period of five (5) years thereafter. We will only store your personal data after this date if We are required to do so to comply with the law.

The personal data will be transferred, stored or accessed to/from countries outside the European Union. As a consequence, the personal data will be processed by **Applus+** personnel that are located outside the European Union. Some of these countries might not provide an adequate level for the protection of personal data. Nevertheless, **Applus+** shall ensure that your personal data is processed with the same standard of protection that would have been required in your jurisdiction, by virtue of the standard contractual clauses adopted by the European Commission under article 46.c) of the EU General Data Protection Regulation ("**GDPR**").

If you have questions or doubts about the processing of your personal data, please contact data_protection@idiada.com.
